

CATHERINE'S 
Cups of Kindness

Print the instructions that accommodate what you're serving! If you're feeling cold and would like a nice, warm refreshment, please choose the *Stay Warm with Us* instructions. If you need a drink to quench your thirst on a hot day, please choose the *Join us for Lemonade* instructions.

Instructions

1. Open the box

But save it for later – you can transform it into an awesome donation box for the stand. Now go ahead and check out all the super-cool stuff inside!

2. Decide on the details

Determine when and where you'll be holding your stand, and what you'll serve –lemonade, cider, hot chocolate – Part of the beauty of Catherine's Cups for Kindness is that what you serve is entirely up to you!

3. Get the word out

Customize the flyers for your stand and ask your parent or guardian to come with you to post them around town. (You should have received the flyers in your box, and can download more at <http://cvhfoundation.org/catherines-corner/catherines-cups-of-kindness/> if you run out). Ask restaurant and shop owners if they would be willing to display the flyers in their windows or help out in other ways, such as donating food! While you're at it, remember to hand out fliers to friends and family as well.

4. Set up and decorate

Decorate the box that you received in the mail to use as your donation box. Display your sign and feel free to add your own posters. Have a parent or guardian help you get the drinks and food prepped and to set up a table and chairs.

5. Don't forget the animals!

In order to stay true to Catherine's love of all creatures, remember to have water or dog treats available to offer pets that might be out walking with their owners.

6. Have fun on the big day

- Everything is donation based – tell your customers to give what they can to help
- Make sure to offer a handout about the Foundation to everyone who stops by
- Don't get discouraged if people don't show up at first. It might take a little while, but if you stay determined and be kind to everyone who walks by, things will pick up.
- Take pictures and selfies! We'd love to see the awesomeness of your stand!

7. Count up the money

When the day is done, have a parent or guardian help you count up all the money you've made for the Catherine Violet Hubbard Animal Sanctuary.

8. Send in your donations

When you're done counting, have your parent or guardian send the donation amount in to the Sanctuary either by mailing a check for the amount you've raised addressed to the Catherine Violet Hubbard Foundation, PO Box 3571, Newtown, CT 06470, or by making the donation via credit card on our website. 100% of your contribution will support the Animal Sanctuary's mission of enriching the lives of all living creatures by promoting compassion and acceptance.

Thank you for your helping support the Catherine Violet Hubbard Animal Sanctuary by hosting your very own Catherine's Cups of Kindness stand! Your time, effort, dedication and kindness will help us to provide animals with a safe and loving home.
