

CATHERINE'S  
Cups of Kindness

Catherine's Cups of Kindness is a charitable initiative designed to benefit the Catherine Violet Hubbard Animal Sanctuary that allows volunteers of all ages to spread kindness by pouring a tasty beverage for someone else. Our hope is that others feel encouraged to pay that kindness forward, raising funding to help us provide care for animals in need of healing support. To hold your own Catherine's Cups of Kindness stand, simply register your stand online and order your official Catherine's Cups of Kindness kit. With your help we can fill cups of kindness across the country.

## **The Catherine Violet Hubbard Foundation & Animal Sanctuary**

The Catherine Violet Hubbard Foundation, Inc. is a charitable organization that supports projects and programs that best reflect and honor Catherine's memory, including the CVH Animal Sanctuary, and Catherine's Cups of Kindness. Located on 34 acres of sprawling meadows in the heart of Newtown CT, the Sanctuary will serve as a central hub for people to come together to connect with animals and nature, while spreading kindness through acts of compassion and acceptance.

### **About *Catherine***

Catherine Violet Hubbard was kind. She told us she that when she grew up, she was going to take care of the animals, but the 2012 tragedy at Sandy Hook Elementary School cut short Catherine's ability to see her dream to fruition. Though Catherine is no longer with us physically, her pure and kind spirit continues to guide our thinking as we work to create the Animal Sanctuary in her honor.
